IOSH Working Safely- 1 day	Pre requisite:	None
<p>This one day course is intended to provide delegates with an understanding of why health and safety is important, and how they can make a real difference to the well being of themselves and others through changing their behaviour.</p> <p>During the course delegates will meet the government's guidelines for introductory health and safety training and is a 100 percent match to the Health and Safety Executive's 'passport' syllabus.</p>		
<p>Who is the Course For?</p> <p>Employees</p>		
<p>Learning Outcomes</p> <p>At the end of the course delegates will have a clear understanding of two key areas – health and safety and environmental basics.</p>		
<p>End test</p> <p>The course will conclude with a practical isolation exercise designed to further confirm understanding of the key learning points.</p>		
<p>Assessment</p> <p>Delegates are required to complete a class based project as well as a short written end examination.</p>
